

# Silk Ginghams.

We direct attention to some very stylish specialties in these recently imported by us. A pretty coffee color grenadine effect with an all-over scroll design interwoven and a pongee colored ground striped and checked with white and overflecked with small self-color Damasco figures are worthy of note—price 75c. per yard.

In our department for Wash Dress Fabrics, now replete with the choicest goods, there are many handsome specialties.

**FF FLINT'S FINE FURNITURE**

INTERIORS.

Enter a room that we have decorated, and it will impress you just as a fine painting would do. Why?

Because everything is in keeping. Nothing has been introduced unless it was not only beautiful, but would add to the effect of the whole.

If, when summer comes, your country house rooms remain unfreshened and undecorated, what will compensate you for the pictures that might have been?
